

# The QUIVER

Hi Phillie,

Well first of all you said I had to fill up this page. And if you think I will your absolutely crazy!

It's really been fun taking Seminary with ya although you've had your mean moments and I guess I've had mine. Any way your a pretty good kid. (When your asleep) HA! HA!

It's really been a fun year except for some days and I really hate to see it all end. Just think next year no more of this crummy biology.

Thanks for helping me on our seminary test. Mr. Hull wouldn't like it but that's OK.

Well I told you I couldn't fill this page up & here I'm half through & I can't think of anything else to say. So I guess this will have to do.

Good Luck,

Hi Clyde,

Whee! Summers almost here! Spenny  
Let's make next year really  
swingin' & this summer really  
celebrate, because it isn't very  
long.

Don't do anything bad though will ya?

See ya around,

a friend  
Trissa

## "The Best Dream of All"

Again this year, Homecoming was a very successful event at Preston High. The parade at 12:30 was very enjoyable. With so many beautiful floats it was a difficult task to pick the winners, which were Thespians, first; Pep Club, second; and Juniors, third. Our victory 32-0, over the Montpelier Bears, the outstanding routine by the Baton Corps and Indianettes at half-time, the presentation of our Queen, Tayna Palmer, her attendants Pauline Hodges and JoLynn Petersen, and finally, the lovely dance made our Homecoming "The Best Dream of All," and one we will not soon forget.

## Our Superintendent

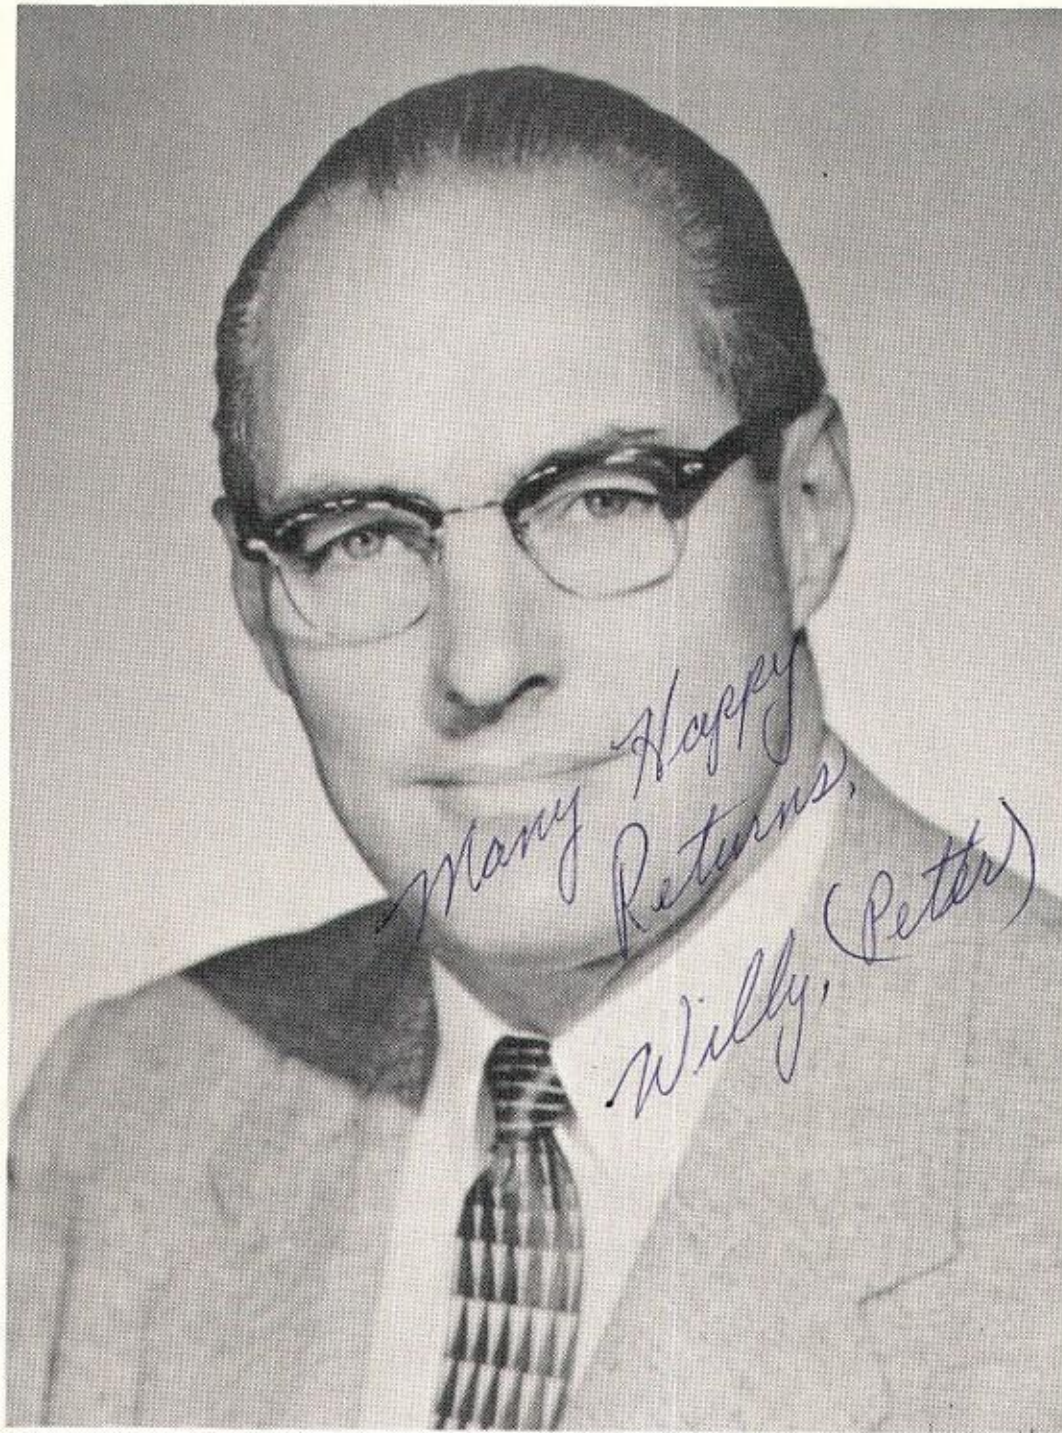

Harry Emerson Fosdick has said, "He who chooses the beginning of a road chooses the place it leads to."

High School is a point of beginning for many roads—roads of happiness, discontent, success, failure, mediocrity, and others have a beginning here. Here are found many courses of learning from which life's journey might be safely and wisely begun. Here, too, are formed many of the habits which become patterns of behavior in study, work and play.

Choices are important at the beginning of these roads, and wise choices are important as the journey progresses, because, "The road passes on through the long afternoon and stretches away through the night."

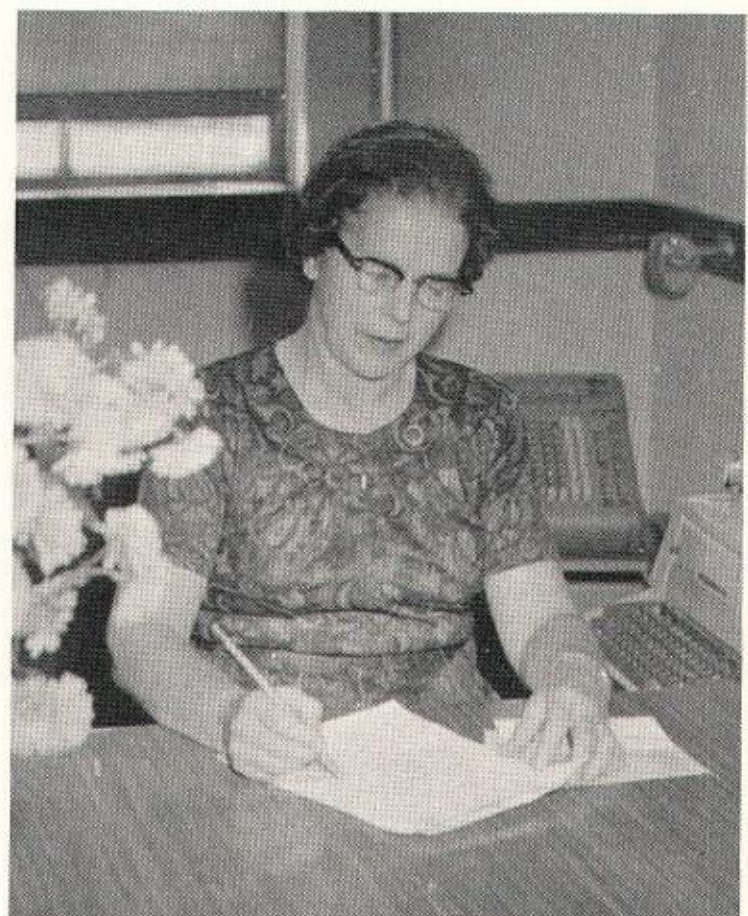

Good planning and choosing at the beginning, good habits of learning and behavior properly established, the will to succeed wisely cultivated—these properly balanced and blended with a dash of perseverance will carry you along the road to a future that is pleasant and rewarding.

Sincere best wishes,  
William G. Ward

William G. Ward

Mrs. Johnson has been serving our superintendents for quite a few years. We have found her to be helpful in supplying our needs as well as the needs of the entire school district.

## Our Principal

It is my sincere belief that Preston High School is a school to be proud of. The students are some of the finest in the state of Idaho. Therefore, I deem it a pleasure to work with you. My desire is to continue to make Preston High a school to be remembered for its accomplishments and achievement.

This year has been a co-operative venture of students and faculty helping to make school life more enjoyable and worthwhile.

Students, you have the talent and abilities; the school and faculty have given you equipment to make for you a better life.

My wish is for your success in the future in whatever endeavors you may be in.

Best wishes,  
Elmo Keller

Elmo Keller

Mrs. Sylvia Peterborg, secretary to Mr. Keller, has been with us for about a year and a half. Her willingness to help the students of Preston High is greatly appreciated.

Left to right: Ted Steers, Dean Smith, Dr. Orvid Cutler, Pheno H. Edgely, Superintendent William G. Ward, Sarah Johnson, Robert Hull.

## Those Who Govern Student Affairs

Our school board usually meets the second Monday of each month. During these meetings they discuss the problems of the entire school district. They devote a great deal of their time in helping to solve many of the problems of our own school.

Student council is the law-making body of Preston High School.

The students which make up the council are the executive committee, the presidents of the three classes and the presidents of the various organizations. It is conducted under Parliamentary Procedure and is very well organized.

Student Council makes rules, organizes activities, and teaches better citizenship to the students.

In Student Council, democracy is in action as the students make motions to improve our school. Each member does his best to represent our school well.

Student Court enforces the rules of our school. It is the job of Student Court to see that the students do not take advantage of the laws that are made by the Student Council and the administration.

Can you  
welcome it!?

I was a  
real leader,  
when we

## Our President

You, the students of today are the leaders of the world tomorrow! Are You prepared for this task? I would counsel you to set your goal early in life. A man can aspire to no greater heights than the goals which he sets; and the higher the goals he sets and the harder he works toward them, the farther ahead he will be.

Possibly now more than any other time in the history of the earth, young men and women have the opportunity to take the initiative and accomplish that which they are desirous of doing.

To the graduating class of 1964, I wish the best of luck as you branch out and take your various roles in society, and to the underclassmen I would say to make the most of your high school experience and give yourself a head start on the future.

It has been a great honor and experience serving as your president during this 1963-64 school year. I will always cherish many fond memories of my associates and experiences here at P.H.S.

Kim Wilson

*Luck & success during  
the remainder of your high  
school days. A friend,

## Our Vice President

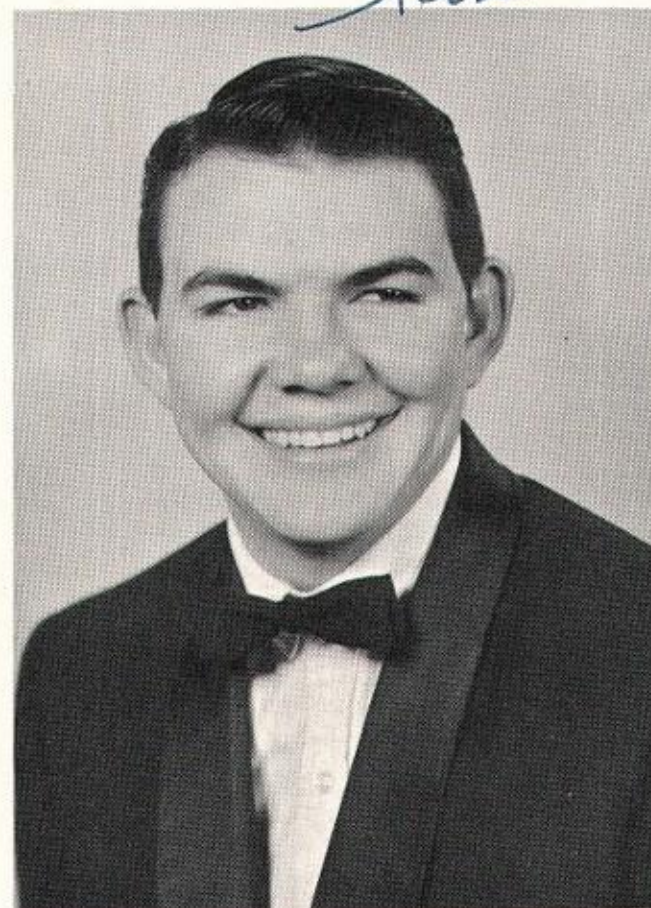

Ours is the responsibility to do our best, to continue the progress of ideals and education which have been so ably presented to us here at Preston High School.

As Seniors we can look back over our High School days and say that this was one of the finest and most enjoyable years we have spent in school.

It was a great opportunity being your Vice President, and I truly hope that I served in a manner pleasing to you—the students.

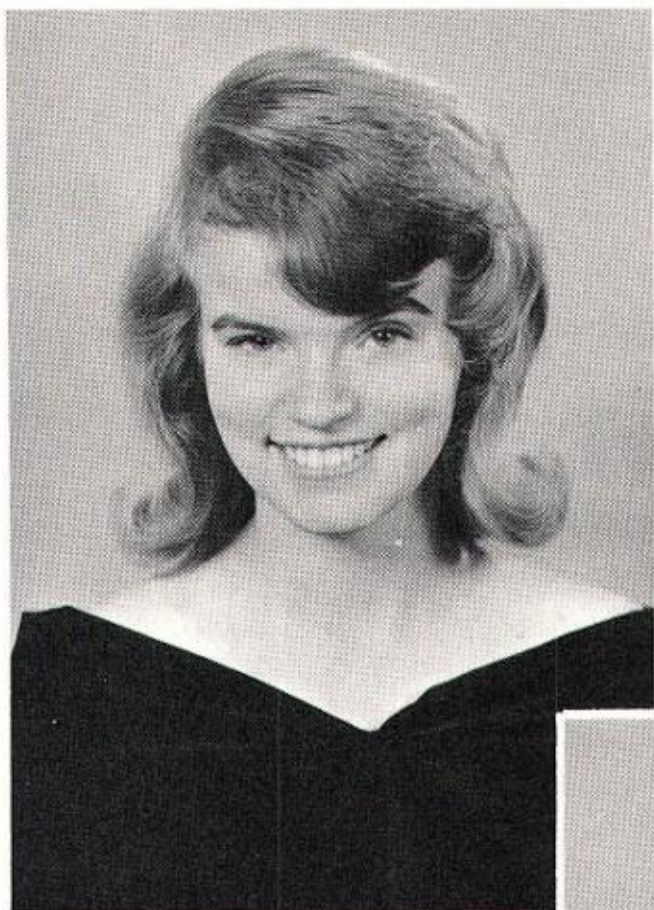

As we leave our Alma Mater to go on in the fields of higher learning, let us always look for the better things in life. Set goals that will challenge us and make us work. May we keep our standards high.

## Social Manager

A new addition to Preston High this year is our Guidance Counselor. Acting in this position is Reed H. Brenchley.

Our Guidance Counselor's job is to help us, the students, with our school problems.

Mr. Brenchley was raised in Wellsville, Utah, and attended Utah State University. He has seven children, four boys and three girls. His hobbies are photography and reading and he belongs to the faculty "Camera Club." He says his pet peeve is students who have considerable ability, but will do nothing about it, as far as school is concerned.

**A New Addition This Year**

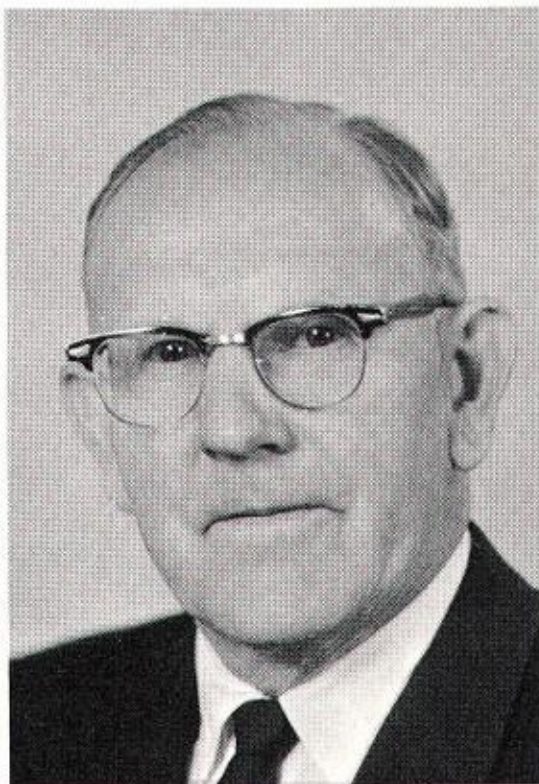

*Guidance Counselor*

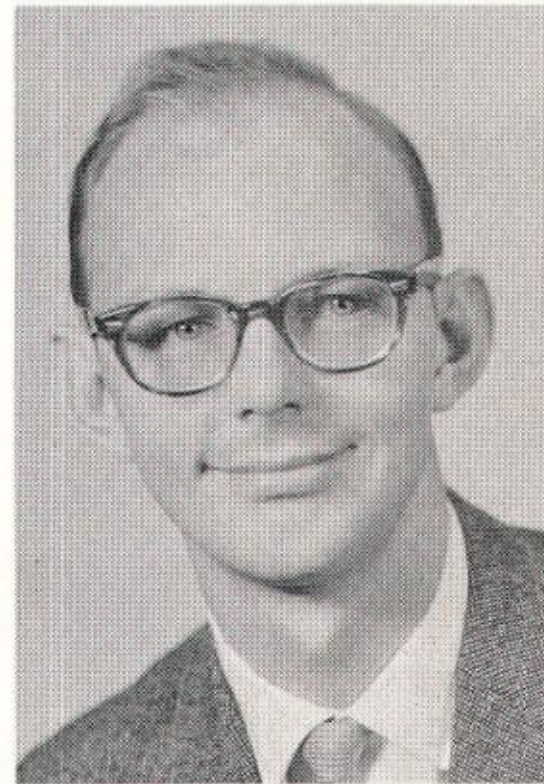

**Oscar Almond**, Automotive Technology instructor at Preston High, hails from Downey, Ida. Mr. Almond attended Utah State University, Idaho State, and Boise Junior College. He has quite a family: Nine sons and three daughters. Hunting and fishing are his favorite pastimes and "Students who waste time and talent in High School" are his pet peeves.

A new face at Preston High is **Sylvester C. Anderson**, who teaches bookkeeping. Mr. Anderson's hometown is Millville, Utah. He attended B.Y.U. and U.S.U. He seems to be very proud of his five sons, three daughters and 14 grandchildren. His hobbies include hiking, photography and traveling. Pet peeve: "Life is too short."

Completing a second year at P.H.S. is **Larry Bollschweiler**, our Spanish teacher. Mr. Bollschweiler claims Pocatello as home and Idaho State University as the "best." His family consists of two children and his hobby is skiing. Lazy students seem to annoy him the most.

## Meet Our Faculty

A familiar face at Preston High is **J. Neff Boothe**. Mr. Boothe has taught English at our school for 27 years.

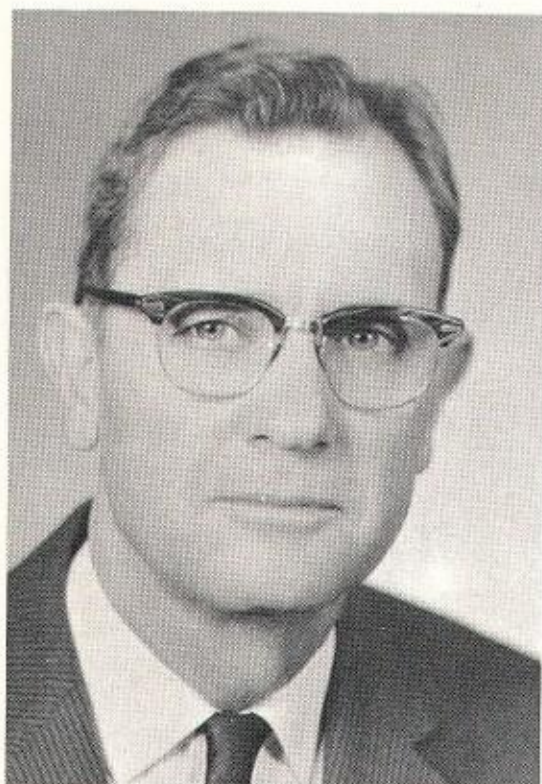

He attended U.S.U. and the University of Idaho. Mr. Boothe has two daughters and six grandchildren. Reading paperback books are his hobby and "students who cheat" are his pet peeve.

Our outstanding Chemistry, Physics, and Math teacher is **George Crockett**. He has attended several colleges throughout the West. U.S.U., Stanford, Chico State College, Purdue University, Oregon State University. No wonder he is an outstanding teacher. He and his wife, LaVina, have five children. Singing, hunting, and dancing are his hobbies. Students who won't study sports in general are his pet peeve.

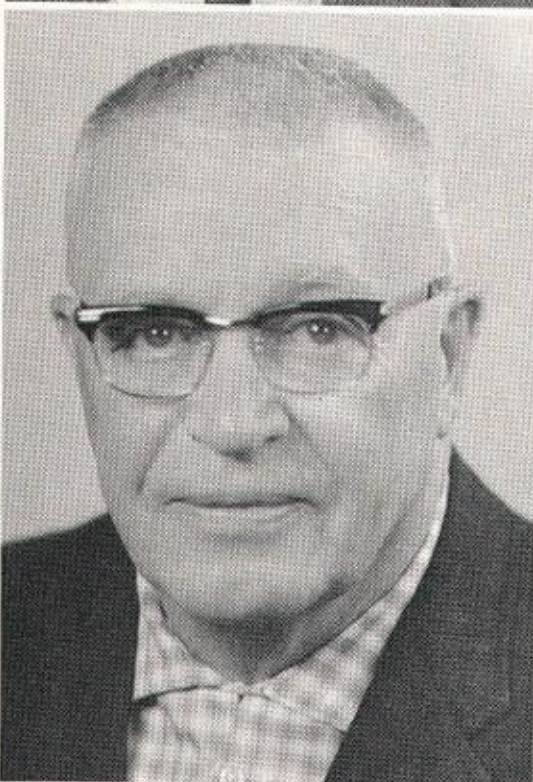

# 1963-64

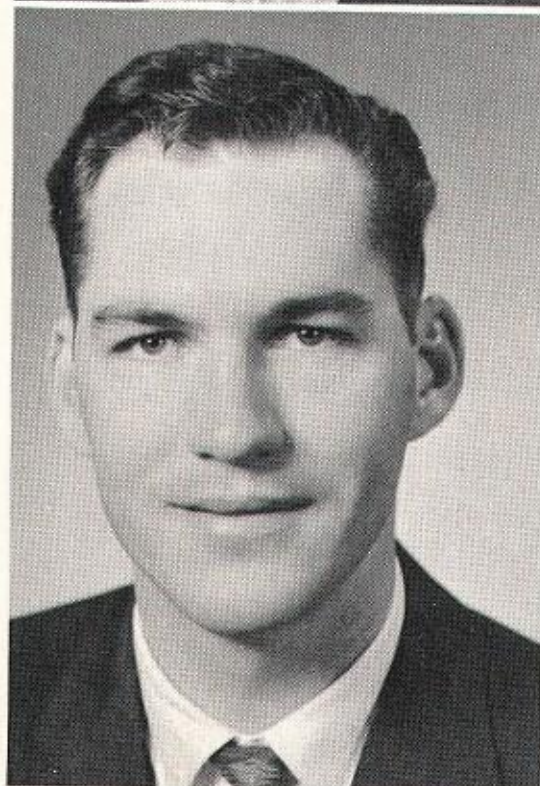

**William R. Craner**, veteran of Preston High and instructor of vocational agriculture for close to 30 years, was raised in Burley, Idaho.

Mr. Craner attended Albion State Normal and the University of Idaho. His family consists of a wife and daughter. Photography is his hobby and he'd take hot weather to cold any day.

Advisor to the Senior Class is **Elvin J. Cutler**, who also teaches Senior Math and U.S. Government. Mr. Cutler attended U.S.U. and I.S.U. and says that Preston is his hometown. He has a wife and a son. Hunting and fishing are two of his favorite pastimes and he is one of those teachers who has no pet peeve.

*Come my best to you this fall  
see you for football.  
Sincerely  
Ivan D. Davis  
"Coach"*

**Ivan D. Davis**, our handsome coach, was also raised in Preston. Coach Davis attended U.S.U.

His family include his wife, Rena, and three children, Kim, Kelly and Debra. His hobby is, of course, sports and hunting. "Wasting away one's time," is his pet peeve.

Speech, English and Dramatics is given special attention by **Delmar Derricott**.

Mr. Derricott's hometowns are Liberty and Sugar City, Idaho. He has attended Ricks College and Utah State University. The Derricotts have one little daughter. Mr. Derricott says that music and making people enjoy themselves are his hobbies. People who do not respect others enough to listen when they talk or perform annoy him.

## The Faculty

Another new face at Preston High this year is our librarian, **Anita Ford**. Mrs. Ford comes from Ogden, Utah, and attended Utah State University. She is the daughter of Mr. and Mrs. Edwin Baird and is married to William E. Ford. Her hobby is sewing and her pet peeve—"dirty dishes."

*I am sure to find a fine student a good friend (I hope!) and a good helper. I appreciate the help you give me. I won't be bothering you much y'all! Good luck in school!  
Delmar Derricott*

Hailing from Mink Creek, Idaho, is our commercial teacher, **Betty Jo Jepsen**. Mrs. Jepsen is the daughter of Mr. and Mrs. Douglas L. Nelson and married Glen F. Jepsen, also a graduate of Preston High. She attended U.S.U. Her hobby is sewing and she has only taught a year so she doesn't have a pet peeve—yet!

**Marjorie Keller**, English instructor at Preston High comes from Tremonton, Utah. She attended Utah State, University of Idaho, and Idaho State University.

Her family consists of three daughters and a son. Her hobby is textile painting and ill-mannered adults is her pet peeve.

Our history teacher at Preston High is **Sherman Lindhardt**, who claims Preston as his hometown. Mr. Lindhardt, a graduate of Preston, attended Utah State University.

His family consists of "one little wife" and his hobbies are hunting, fishing, and reading. Believe it or not, he has no pet peeves.

## 1963-64

Not an unfamiliar face at P.H.S. is **Carl P. Nielson**, advanced algebra, trigonometry and geometry teacher. Mr. Nielson comes from Carmangay, Alberta, Canada. He attended the University of Idaho, Utah State University, and the College of Idaho. He enjoys hunting and fishing and his pet peeve is indecisive people.

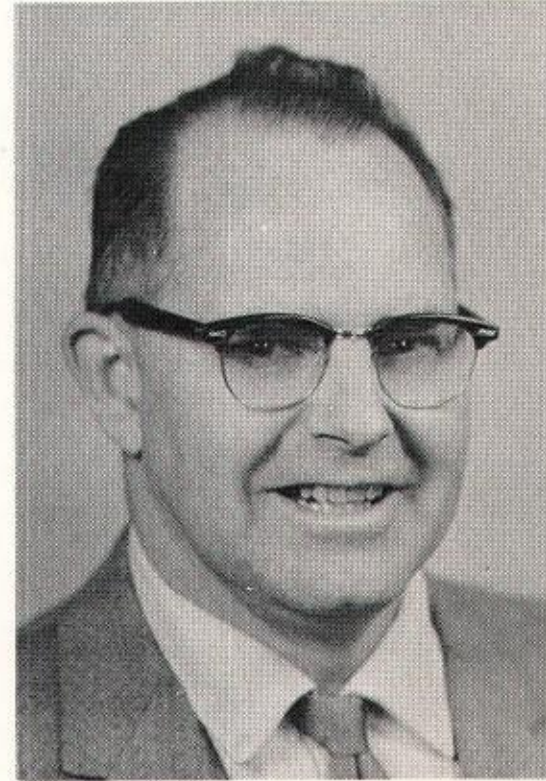

**John G. Olson**, our biology teacher, is not new to us although this is his first year teaching high school.

Mr. Olson's hometown is Payson, Utah. He attended Brigham Young University and Utah State University. He has a lovely wife and six daughters. He likes to raise flowers and enjoys carpenter work. "People who talk with nothing to say" annoy him.

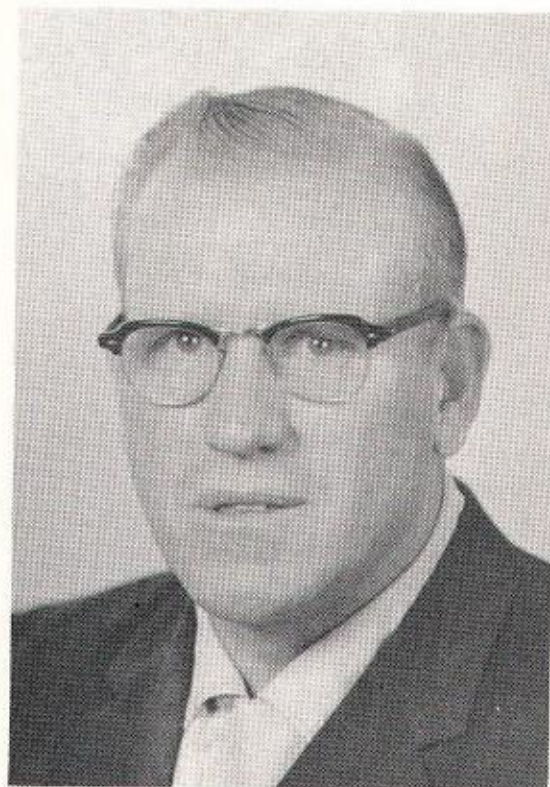

Another vocational agriculture instructor is **Lincoln A. Orme**, who comes to us from Nephi, Utah. He attended Utah State University and the University of Idaho. He has a wife and seven children, four boys and three girls. His hobby is photography. Pet peeve—"I have new ones every day, so I can't keep any long enough to make pets out of them."

*Thanks for a good school year.  
John G. Olson*

Mr. **Vilarr B. Ransom**, who teaches algebra and helps coach football every fall, is from Preston. He attended B.Y.U. and Utah State University. He has a lovely wife and a daughter Barbara. Mr. Ransom's pet peeve is—"Cold weather!"

Our outstanding music director for many years has been **Lyle Shipley**. Besides music, Mr. Shipley teaches 3 classes of U.S. History. Mr. Shipley is a native of Preston and attended Utah State University. His family includes his wife, Donna, and four children, two boys and two girls. Mr. Shipley has an interesting hobby—tropical fish. He also likes to hunt and fish. His pet peeve is "A student who does nothing."

In her third year at Preston High is **Virginia Thompson**. Miss Thompson teaches a variety of subjects which include physical education, type and shorthand. She comes from Spring City, Utah, and she has attended San Angelo Junior College in San Angelo, Texas, Snow Junior College, and Utah State University.

Her hobbies include sports and ceramics, and her pet peeve is unprepared students and fouled up type ribbons.

## The Faculty

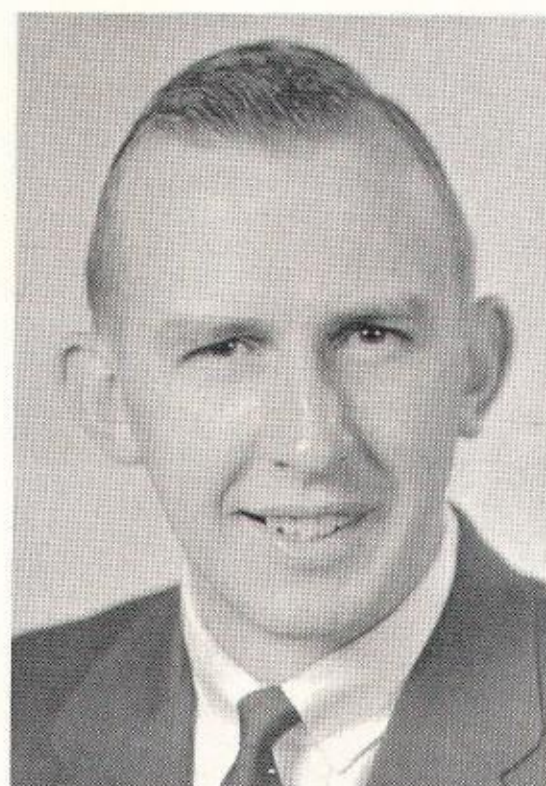

**Carrie M. Tobler**, a native of Pocatello, Idaho, instructs our girls in homemaking. Mrs. Tobler attended the University of Idaho and Utah State University.

She has three children, two girls and a boy. Her hobbies are quite obvious, cooking, sewing, and playing the piano.

A new face has been added to our Instrumental Music Department this year. **J. Golden Ward** hails from Malad, Idaho, and he attended Utah State University. His family includes "Just a wife." His hobby is good music and his pet peeve is people who never have a serious thought.

Last, but not least, is **Warren D. Wilde**, teacher of U.S. History, American Problems, U.S. Government and our assistant basketball coach. Coming from Mink Creek, Mr. Wilde graduated from Preston High and attended the University of Idaho, Idaho State University and Utah State University. He enjoys hunting, fishing and athletics. "Students who talk when they should be listening," is his pet peeve.

# Senior Memoirs

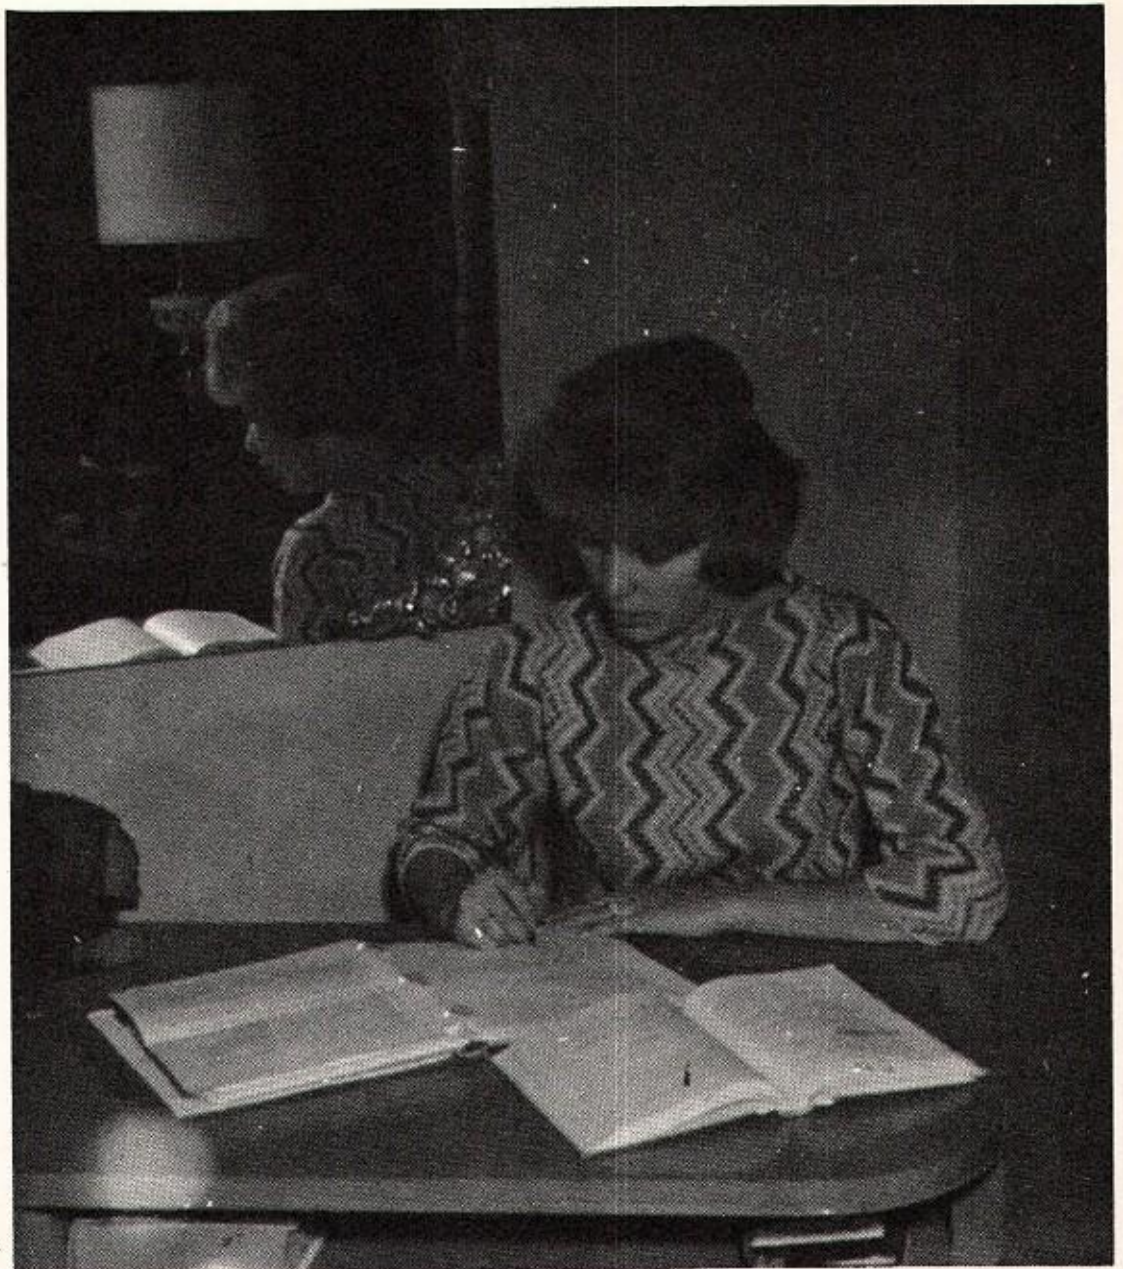

We, the graduating class of 1964, can reflect upon three exciting years at Preston High.

The protective walls and long impressive halls fill us seniors with pride and admiration, knowledge and understanding.

Ours has been a united class. We have shared joys, disappointments and success. We began our high school days with ambition. Our Sophomore assembly and hop was a most successful event. Our homecoming float received third place, a triumph for sophomores. A swimming party at Downetta was a reward for our efforts.

As "Upperclassmen," our assembly and Junior Prom, which was entitled, "Serenade," took its rightful place among the top Junior proms and assemblies in the school's history.

Practice makes perfect? Sure, Pres. Keep working on it.

You have to study to be a good student, as Tayna well knows. *Laugh it off.*

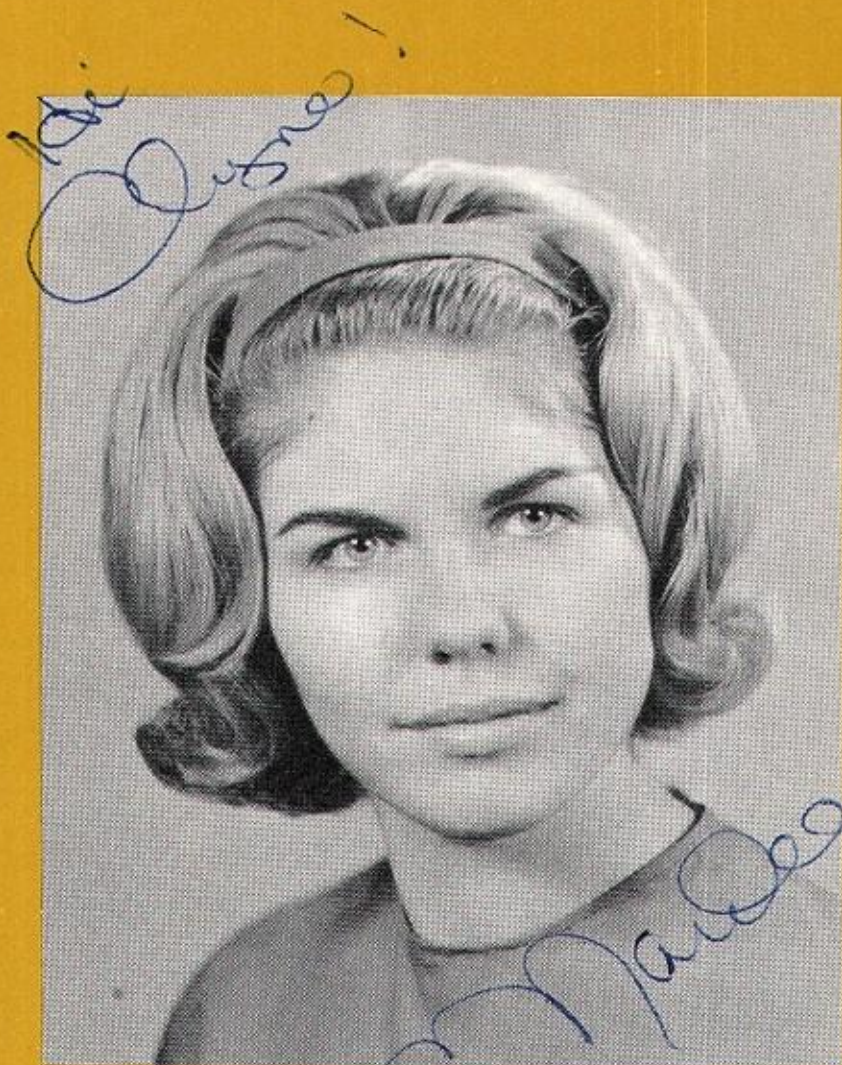

Now, our senior year, we have topped our high school memories by presenting our last class assembly, our senior review and our beautiful Senior Prom. And, of course, we cannot forget our Senior Sneak! Our Senior athletes have added much luster to the past achievements in the sports program.

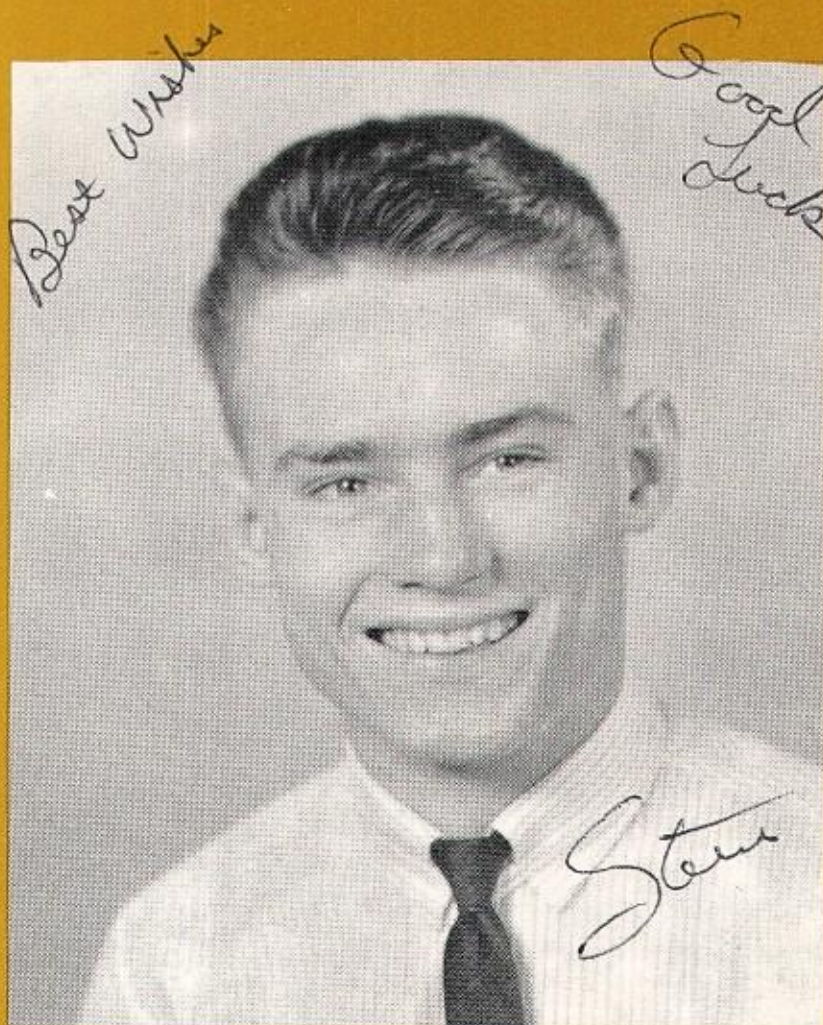

But now, the time has come when the dances, assemblies and games must be put aside with other lingering memories of the past.

As the Seniors of 1964 don caps and gowns and march down the aisle and into the future, we will long remember the strain of our school songs, "Our Spirit Is Our Might."

### Junior Memoirs

The class of '65 started their high school days with courage and faith.

As sophomores, we built floats, sponsored dances, served as slaves to the upperclassmen and almost had an assembly.

Our float was a very good one, we thought, but, we were only sophomores, and this thing was new to us. Our theme was "Autumn Leaves," and that was what we used on our float, autumn leaves.

Our dance was the usual sophomore hop, or shall we say flop. Our theme was "Mutiny on the Bounty," and that is what we had, a mutiny on the bounty.

Our assembly was so good that we decided to save it for our Junior year.

As Juniors, we have had a really fine year. It was new and different, but also a nice experience.

Our float was colorful and showed real school spirit. It placed third in the contest and even placed ahead of the Senior float. It showed real enthusiasm and initiative.

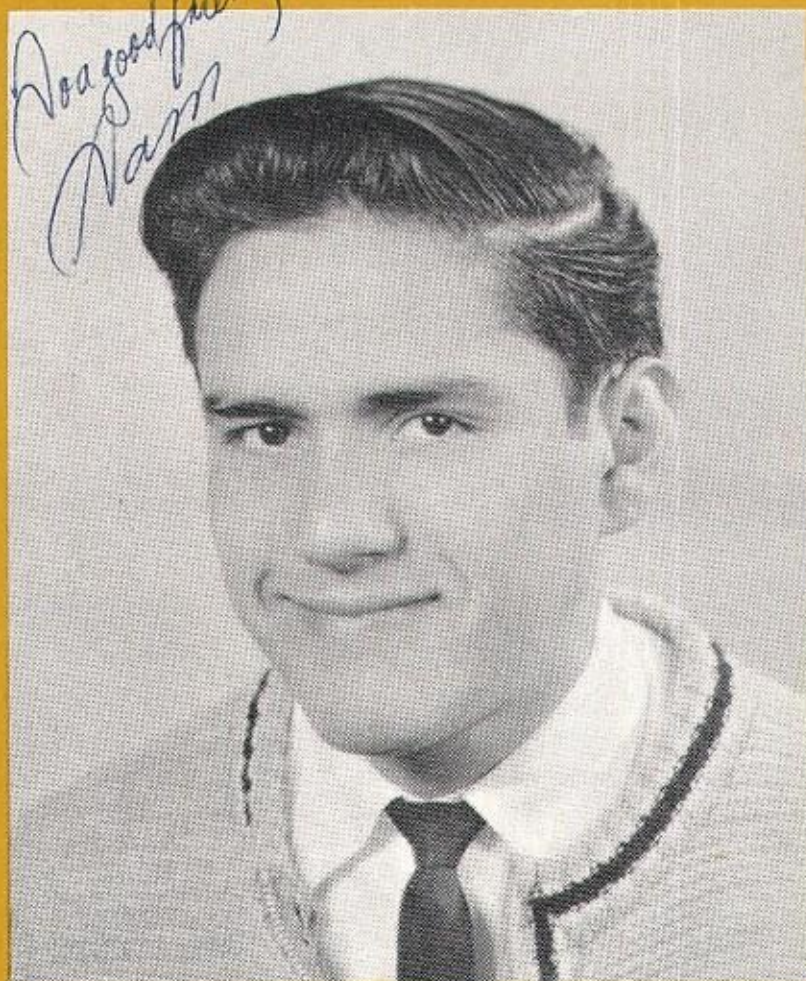

Our assembly was very good and really made up for the one we missed last year. It was carefully prepared and a lot of hard work and time went into it. The students were co-operative and it was very enjoyable.

Last, but hardly least, was our Junior Prom. The Prom is always the best dance of the year and ours was really a record-breaker. The decorations were lovely. A huge crowd voted it a big success.

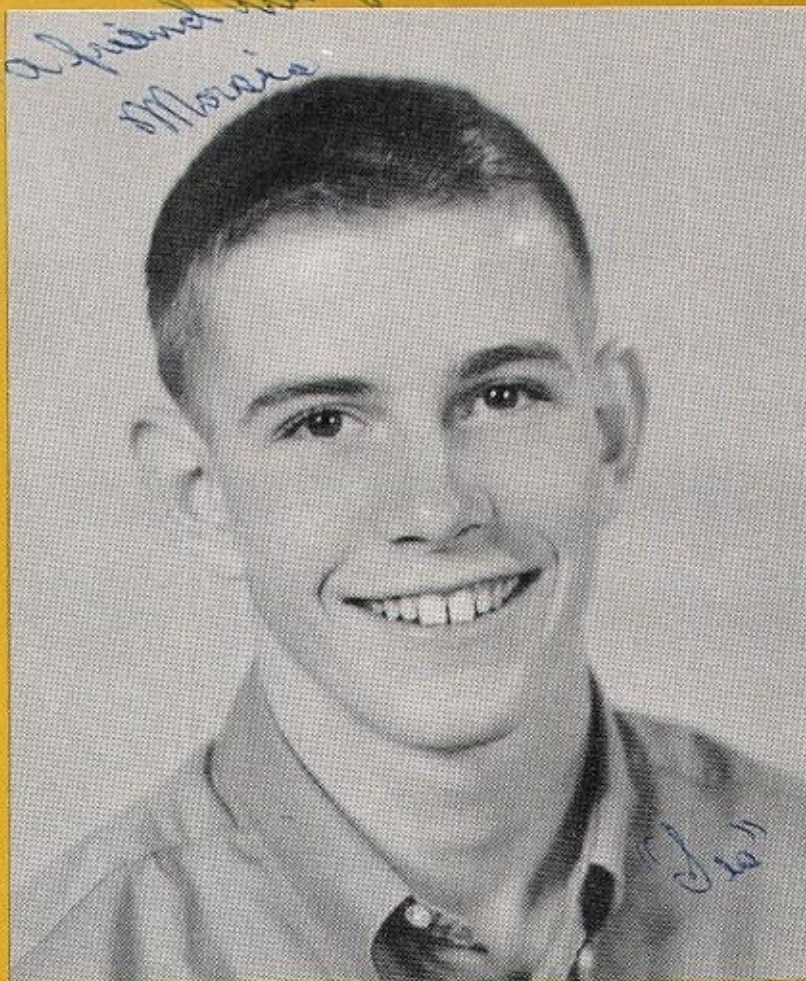

Of course, there were our Junior rings which were cherished by all who bought them. No Junior year is complete without the class ring.

In all, our Junior year has been a truly memorable year.

## *The Ambitious Class of '66*

The Sophomore class has entered their high school days as every other Sophomore class in the past — ambitious and full of enthusiasm.

The class, ready, willing, and able to make a good year, started out by building a float for Homecoming. The theme was "Sophomores' Dream." It was a good try and at least a start.

In the middle of the year Social Manager Brett Hawkes left old P.H.S. and also left the Sophomores without a Social Manager. The problem was quickly solved by an energetic little gal named Diana Maughan, who carried on as a very successful officer.

Selling popcorn at home games, ice cream during the district basketball tournaments, and sponsoring a casual "party dance," the Sophomores added to their treasury and their prestige.

The class of '66 had a very good year and are looking forward to the two busy years to come.

The Girls' League officers have led the girls of P.H.S. in many successful undertakings. We wish to compliment them for their outstanding leadership.

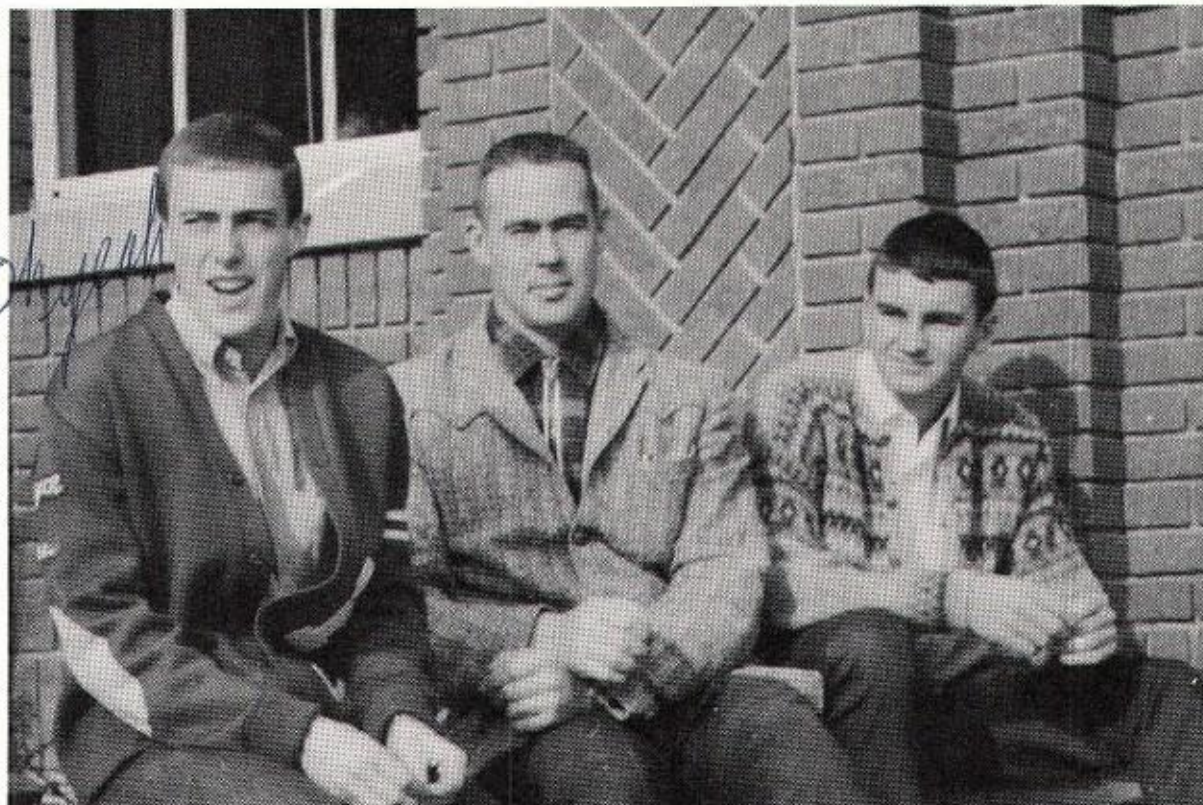

One of the outstanding events of the Girls' League is the Christmas assembly for the girls and their mothers.

This is one time the girls can get together with their mothers.

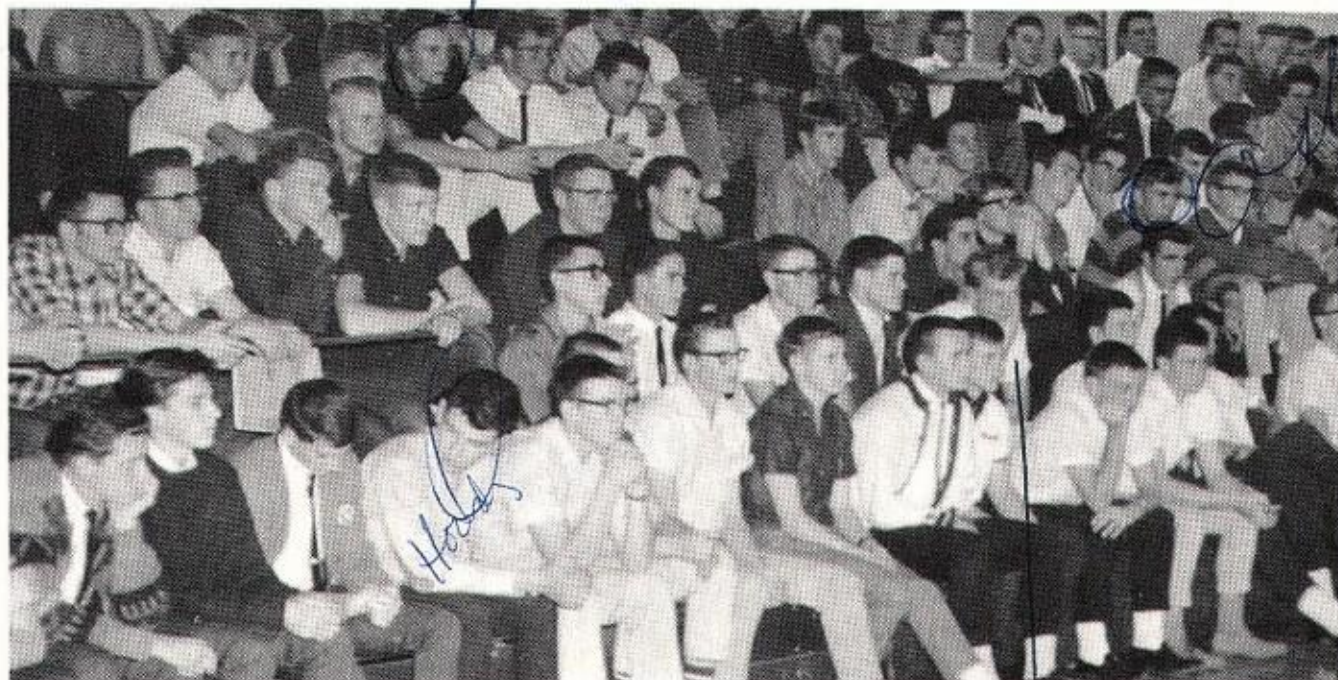

Bryce Taylor, vice president; George Crockett, advisor; Charles Peterson, president.

The Boys' League have, with the help of their officers and advisor, established a boys' Pep Club, a big boost to the P.H.S. school spirit.

*We need some girls in here P.B.*

The Boys' League had many interesting programs during the year.

Clyne,  
I have enjoyed being  
your friend these past  
years. This year has just  
been fun in all our classes.  
We have had fun without playing  
basketball and just goofing around.  
I hope to see you during the summer  
and keep up the good work.  
A friend,  
Hanna

## Homecoming Queen

Hi Glynn,

Can you believe we've really made it through this year. The Sophomores really have a pretty neat class, especially with you in it. Have lots of fun the next two years. You really are a cute kid. Lots of luck to you.

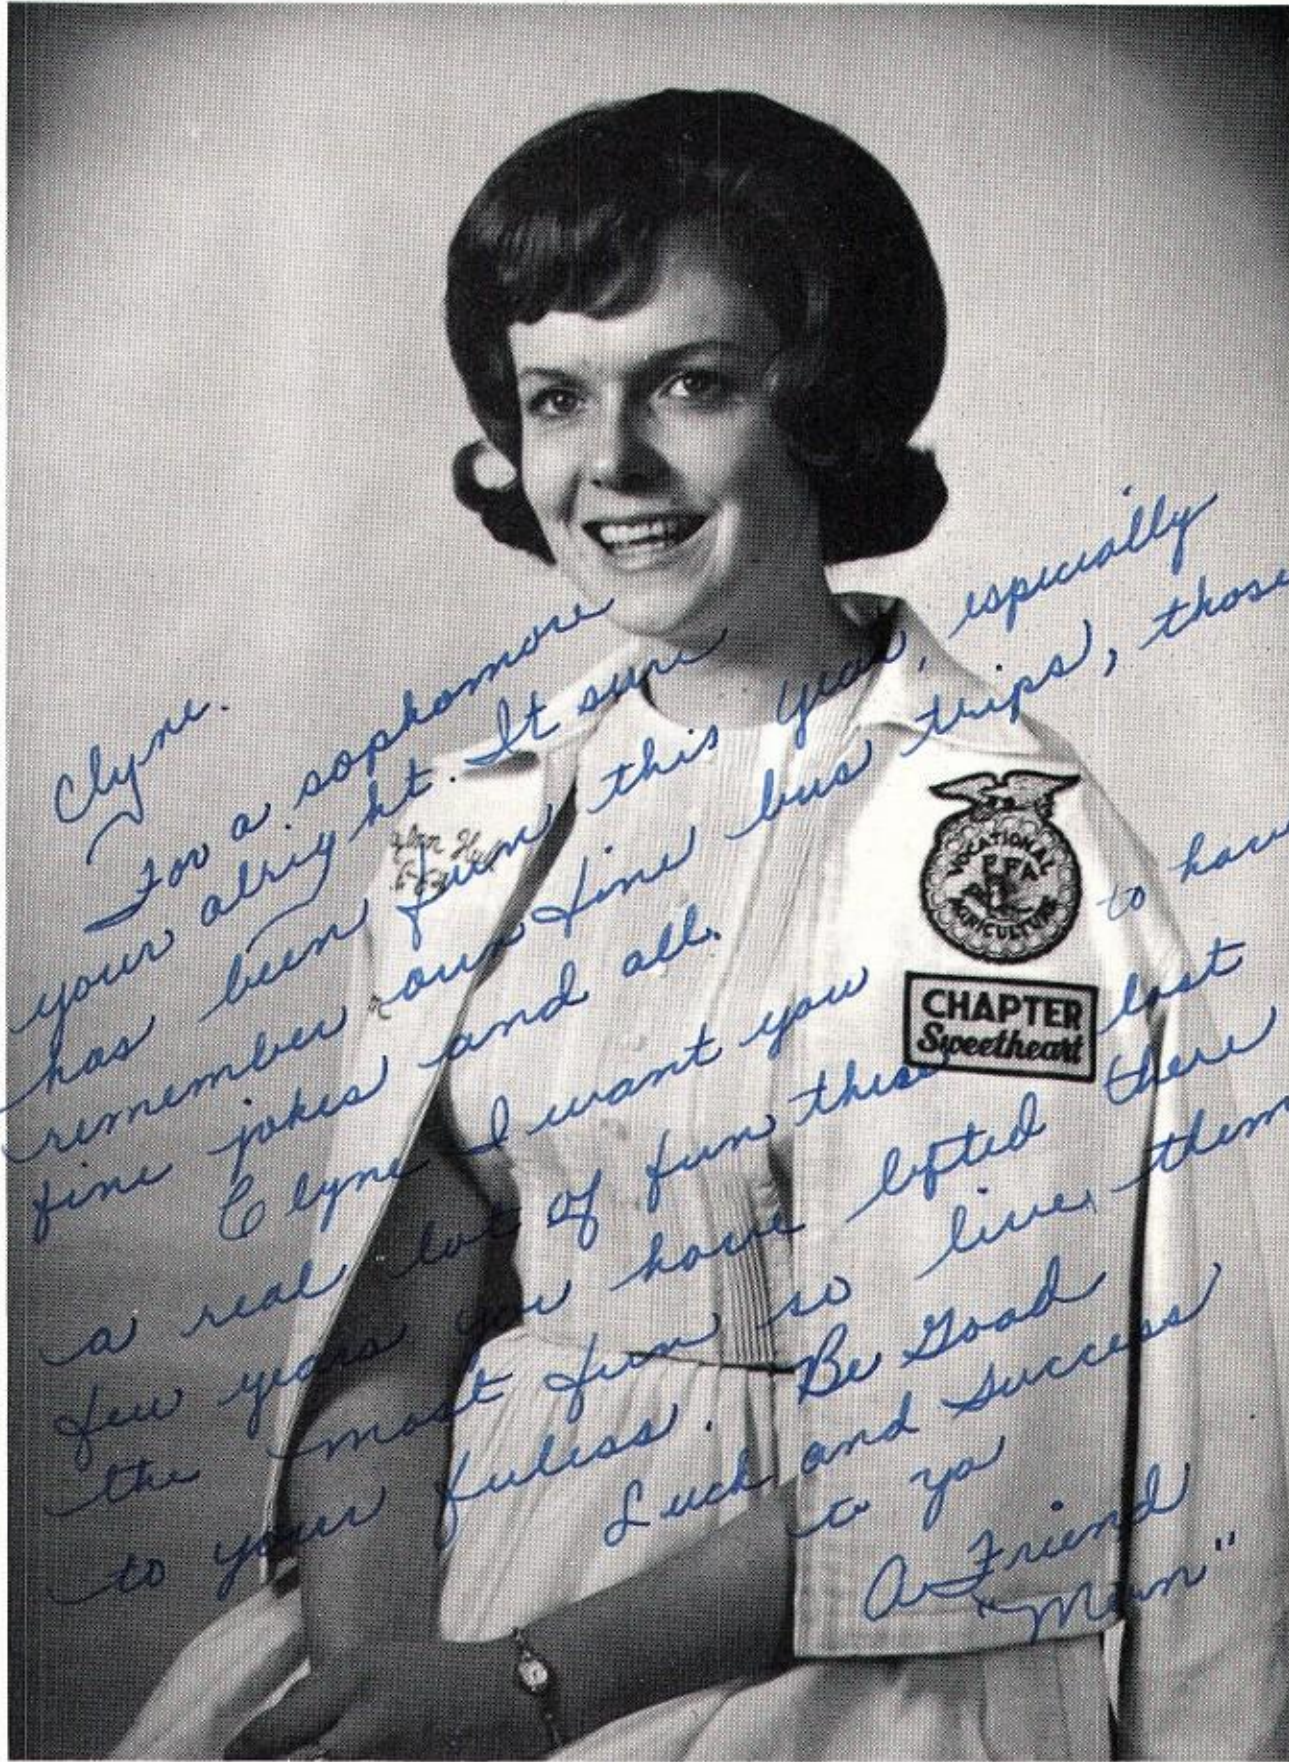

A friend  
Tayna

**Tayna Kay Palmer**

P.S. Keep my little brother out of trouble next year.

*Hi Clyde,*

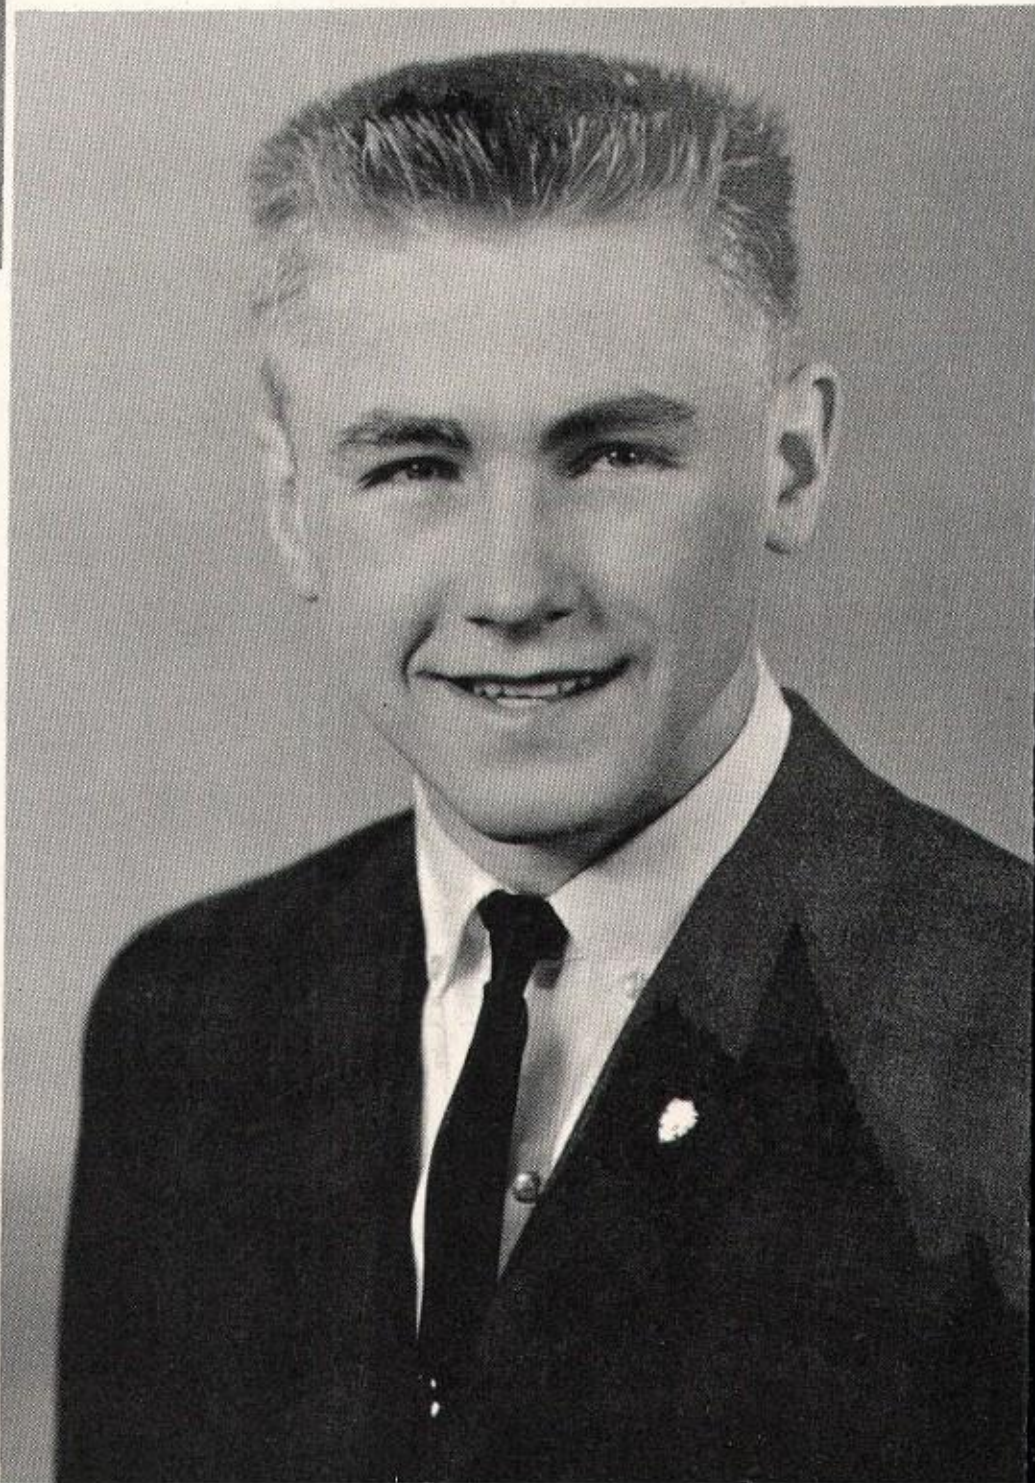

Dear Clyde,  
 It's been really fun this  
 year getting to know you. I  
 think you're a pretty neat kid, with a  
 cute personality. It will be more  
 fun for you out there when  
 you're a Junior. You've got a  
 real outgoing personality,  
 so your really going to go place.  
 Be good this summer.  
 A friend,  
 Deanna

## Most Preferred Man

To a real great kid:  
Keep up the good work in  
all you do boys. May the best  
of luck be yours all your  
life. I expect you to do alot  
of things during your  
two years of high school.

Hi Clyne,

Well, this school year is almost over. Thank goodness. I really think you are a neat kid with personality plus. Luck and success always in the future.

Luck and Success,  
Linda J.

Clyne,

It's been. Glad to know you these past years and having fun with your friendship. How did you like your first year in high school? Great huh? I hope you win all your medals this year.

A friend,  
Linda J.

At least this year? I enjoyed taking it and other classes. Remember last year.

Hi C. Clyne,  
Have it stand here at least this year? I enjoyed taking it and other classes.

Hi Clyne  
Well, it's about over "goody" but this year has really gone fast and has really been loads of fun. I have really enjoyed taking Band and English with you, even if Mr. D. Didn't teach us any English. Luck and success always

Hi Willy,

Haven't been up here  
fun loads of fun!!! Especially  
that party we had at your  
place. I never did get to  
thank you for the good time  
I had. That hill was  
really fun to laugh ride  
on. Also been fun having  
you with me in the same  
English class and in Band.  
Didn't we have fun a Barley  
and at Midland High. You  
a good kid and a great friend.  
Keep smiling.

A good friend,  
Morris  
Hi Long. I have enjoyed  
knowing you and playing football  
and Band. I wish you  
all the luck and success  
in the world.  
BRENT

Dear Mr. Long,

How's Preston High?  
funnyest "rum-dum"  
Not really! I will  
never forget that  
night before contest,  
when we were having  
practice, you came  
in got laugh from  
every-one and then  
walked back out.

You would never  
know that you & Sam  
were brothers. Both  
are doing good kid, or

If you keep playing  
you horn Mr. Ward  
is going to be real  
proud, of you.

Band was a lot  
more enjoyable having  
few kids like you.  
Keep up the good work.

Lots of Luck

She again, I say remember when we was in the first grade?  
She was out in the swings going as high as  
we could. Yelling to the top of our voices. I can't  
remember my nick name but yours was Pine Cone.

They were the good old days. (or should I say dumb old days?)  
You had better be careful with all your girl  
friends or you will find your self falling in love  
again. We have had loads of fun together. I hope  
we can continue.

A friend always,  
Frank

H. J. Clayne  
 well the bell has sounded  
 so I better hurry. It's been  
 nice knowing you this  
 year and I hope to go on knowing  
 next year. Have been  
 a friend  
 Ben L.

Dear Brother Long,  
 I thought that was  
 a good way to start but  
 now I look back maybe  
 it isn't so good. It's to  
 bad that the mighty Seniors  
 are leaving and the Sophomores  
 get moved up a grade. You are  
 about ready to start the best  
 year of your high school  
 day and for hell sake don't  
 get in trouble, but have a  
 little fun.

A Band Buddy

Alan

Alan,  
 I don't think you  
 will go with  
 the year gone  
 that you will be  
 a real auto bid with  
 a sweet personality  
 and you'll keep it up  
 I hope you have luck  
 and success in the  
 future years. See ya  
 forever

Clayne,  
 I hope you have had a  
 good time. I wish you luck  
 and success and I'm  
 happy that your mother  
 doesn't read this book (although  
 she can read this if she  
 must). Have fun this summer  
 because you have to come back  
 to this school and see around, but  
 that water under the bridge!!

Hello Willy Song

you are a really swell kid  
to be around you this year  
and hope to be around you  
and get better acquainted with  
you next year. We had ought  
to be able to have a lot  
of fun going to the Jaguars.  
I hope you have a lot of fun

This summer and we will  
have to get together with  
Hogan & Ed and get the woman  
well & better stop. Lots of luck

Well, Cline;

A Pal  
Brad

We made it through another of school  
it's been fun in bond. Remember all the fun we had during  
the year. You a good kid! Keep it up.

Clyne,

Willy is easier to spell but I  
rather master the spelling of Cline!  
Success shows all over your person.  
We enjoyed your company, friendly  
ness and exception... a companion-  
ship. Fortune, success and good adventure,

Hi Willy,  
 We've had a lot  
 of fun this year (Ha Ha)  
 and I have enjoyed your  
 company, especially in Band.  
 I have tried to be the best of  
 friends and enjoyed your friendship.  
 I hope we can always be good friends  
 through our coming years.  
 Best of luck,

Hi Ya Willy,

when I first looked  
in your book I thought  
it was Willy Ward's.

Cept I guess you are a  
little different (not  
too much) you're both  
pretty neat. That nice  
compliment comes to you  
for making my seat so  
safe on my birthday. I  
believe you were there.

You could have at least  
helped me!!

Man that's a neat pic-  
ture, don't know how  
ya do it. you're really  
a good kid and if  
anybody ever doubts  
that, just tell them to  
come and ask me.

I sure hate school to  
and cause I'll never  
see you guys but will

have to have a great  
big party at the end,  
so will never forget each  
other (don't get the wrong  
idea)

Really seriously your  
a real great kid and I  
hope I see ya really a  
lot this summer.  
Guess I've about taken  
my share of the space so  
I'll save the rest for your  
girl friend, she should  
be glad I saved this

much space. I'm privileged  
Best Wishes

Hi ya,  
Well I suppose  
you are glad you  
are done being a  
scummy sophomore!  
Believe me your  
junior year will  
be just as bad!  
I guess it really  
wasn't too bad  
this year, but - -  
school is school and  
I just don't like it.

I really have enjoyed  
taking band with  
you. you're a good  
kid so keep up the  
good work and take it  
easy (or any way you can get it)

a friend,  
Jay W.
